These notes are for the use of the teacher only. This page should not be given to the students, but the teachers should use these ideas to make suggestions for the benefit of the children doing the two page Law worksheet.

Be obedient	Do as you're told the first time
Be pure	Only think about good things Put good things in your heart
Be true	Be loyal to your friends & God Always be honest
Be kind	Think about how others feel Don't hurt others
Be respectful	Use your best manners Be polite
Be attentive	Listen carefully
Be helpful	Do nice things for others
Be cheerful	Be happy even when you don't feel like it Don't complain about things
Be thoughtful	Think about others
Be reverent	Have respect for God

The phrasing in the one page Law worksheet (see "ABL" documents) can also be a guide to doing the two page sheet. If both are to be used by the same class it is suggestion that the one page version be done a few weeks before the two page version is attempted.
